

## UNDREAMT DREAMS

Dreams of home  
Childhood, magic, beauty,  
Dreams of longing  
Finding, looking, loving.  
But undreamt dreams are the kindest dreams  
But undreamt dreams are the happiest dreams.

Dreams of dying  
Dreams of living  
Going, staying.  
Dreams of parting  
Moving, crying, running.

**Softly the night is closing in**  
**Sounds of a Lullaby are near**  
**But undreamt dreams are the strangest dreams**  
**But undreamt dreams are the cruellest dreams.**

Dreams of revenge  
Dreams of murder  
Explosion  
Dreams of bondage  
Dreams of passion  
Dreams of sex  
Kissing, stroking.

**Softly the night is closing in**  
**Sounds of a Lullaby are near.**  
**But undreamt dreams are the darkest dreams**  
**But undreamt dreams are the wildest dreams.**

Dreams of prayer  
Dreams of silence

Dreams of God  
Dreams of angels  
Chanting  
Painting  
Singing  
Praying.

**Softly the night is closing in**  
**Sounds of a Lullaby are near.**  
**But undreamt dreams are the holiest dreams**  
**But undreamt dreams are the deepest dreams.**

Dreams of you  
Dreams of me  
Dreams of him  
Dreams of her  
But undreamt dreams are the saddest dreams.

*We only dream the dreams we dare to dream  
And as undreamt dreams become the reality of night  
We slowly reach up with outstretched arms  
To try to become the beings that we were meant to be.*

Dreams of home  
Childhood  
Magic  
Beauty  
Dreams of longing  
Finding  
Looking,

Dreams of loving.
